

# The workplace first aid kit evolved

**TITAN™** rugged, tough and built for the job...

*The latest evolution of our Essentials range.*

The rugged new Titan box is designed to be tough enough for the most demanding work environments. Features include a screen-printed lid and laser etched base removing the need for labels. The integral bracket allows easy placement and fixing and is compatible with the Aurapoint bracket.

The quantities and sizes of first aid kits to be used in a workplace environment should be determined by the number of people on site and the category of hazard they are exposed to.

\* Excludes product and packaging.

Integral bracket

Double clips

Rugged corners

Screen printed lid

Laser etched base

## PERSONAL ISSUE FIRST AID KIT

Containing basic first aid components for one person. e.g. maintenance, security personnel, cleaners, first aiders, etc.

## CRITICAL INJURY PACK

Designed for environments where people could sustain a severe injury. Contains items to help manage catastrophic blood loss. e.g. work with dangerous machinery or sharp instruments, cutting equipment, power tools, construction, agriculture, forestry, etc.

1 The shield is used to protect a first-aider from infection from a casualty during mouth-to-mouth resuscitation. 2 A Burn Dressing cools the burn injury without any prior treatment with water or any other medium. The dressing does not dry out within one hour of application.

Compatible with AuraPoint brackets

Better for the workplace, better for the planet.
